Re: Privacy Information Protection Act

From: ICSF

To whom it may concern,

The government now wants to have the Privacy Information Protection Act (PIPA) to be shown on all registrations. Since this was approved after the registration package, we are asking all parents or guardians registering their children with the ICSF to sign this form below.

By signing the application you are consenting on your behalf and on behalf of your child or children to the collection, and disclosure of your personal information for the purposes of the BC Soccer Association, the District Soccer Association and the Soccer Club. The personal information that you provide will be used for purposes reasonably associated with your child's enrolment as a soccer player. The main use of the information is to obtain insurance and for use in any necessary disciplinary proceedings.
